

# Ursa Catchum

Human (Mark of Handling) • Druid (Circle of Stars) • Level 5

The starwatcher. Ursa reads the night sky like a map, calls down starlight and beast-spirits, and follows the constellations toward his destiny.

| ARMOR CLASS | HIT POINTS | SPEED | INITIATIVE | SAVE DC | SPELL ATK |
|-------------|------------|-------|------------|---------|-----------|
| 18          | 38         | 30 ft | +2         | 16      | +8        |

Purple = trained. Best: Animal Handling, Perception & Survival +8. Passive Perception 18, almost nothing sneaks past him.

## What Ursa Does in a Fight

| Attack                                     | To Hit | Damage                                                     |
|--------------------------------------------|--------|------------------------------------------------------------|
| Staff of Waking Constellations (+1), unlit | +3     | 1d6 bludgeoning (1d8 two-handed). See Shillelagh!          |
| Staff + Shillelagh (ignited)               | +9     | 1d10+6 force or bludgeoning; bonus action to light, 1 min  |
| Guiding Bolt (1st, from Staff or Star Map) | +8     | 4d6 radiant + 1d4 (Starseed); next hit on it has advantage |
| Star-Arrow (Starry Form: Archer)           | +8     | 1d8+5 radiant, one enemy within 60 ft (bonus action)       |
| Starry Wisp (cantrip)                      | +8     | 2d8 radiant + 1d4 (Starseed); lights up the target (60 ft) |

While his Starry Form glows, the Amulet of Guiding Light gives +1 to attacks and saves to his nearby FRIENDS (allies only, not Ursa himself): a party buff, so his own to-hit stays +8.

**How Ursa's turn works:** pick **one bonus-action move** each turn: fire his **Starry Form** star-arrow (Archer, 1d8+5) OR command a **summoned spirit**, not both. **Free Guiding Bolts:** about **10 a day** for free (5 from the Star Map, up to 5 from the Staff) before he spends a slot.

## Ursa's Summoned Spirits

### Ursa's Special Powers

|                                         |                                                                                                                                                                         |
|-----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Starry Form (Bonus Action)</b>       | Spend a Wild Shape use to glow with starlight (10-ft bright light, 10 min). Pick a constellation each time:                                                             |
| • <b>Archer</b>                         | Bonus action: fire a star-arrow at one enemy within 60 ft for <b>1d8+5 radiant</b> .                                                                                    |
| • <b>Chalice</b>                        | When he heals someone with a spell slot, he or a nearby friend also heals <b>1d8+5</b> .                                                                                |
| • <b>Dragon</b>                         | Treat a roll of 9 or lower as a 10 on Int/Wis checks and concentration saves, super steady.                                                                             |
| <b>Wild Shape (2/short rest)</b>        | Two uses that fuel his Starry Forms (or turn into a beast he has seen). Regain 1 on a short rest, all on a long rest.                                                   |
| <b>Wild Resurgence</b>                  | Once per turn (no action), spend a spell slot to get back one Wild Shape use. Once per long rest, the reverse: spend a Wild Shape use to regain a 1st-level spell slot. |
| <b>Star Map</b>                         | His star chart is a magic focus. Free <b>Guiding Bolt</b> 5×/day even without the Staff. Backup focus he still carries.                                                 |
| <b>Wild Intuition</b>                   | Add 1d4 to any Animal Handling or Nature check.                                                                                                                         |
| <b>Primal Connection (1/short rest)</b> | Cast Animal Friendship or Speak with Animals for free, no materials.                                                                                                    |
| <b>The Bigger They Are</b>              | Can charm or talk to beasts AND monstrosities (if their Intelligence is 3 or lower).                                                                                    |
| <b>Mark of Handling</b>                 | His dragonmark lets him read animals' feelings and calm wild or magical creatures with ease.                                                                            |

### Ursa's Story

Ursa grew up under the wide, dark skies of a quiet farming village, raised on his father's tales of the stars and the secrets they keep. His father, a wandering sky-reader and beast-friend who carried the **Mark of Handling**, vanished one night chasing a mystery tied to a handful of **enchanted potatoes**, leaving Ursa only a star chart and a promise to follow it. Ursa studied the constellations until he could call their light down to earth, becoming a **Druid of the Circle of Stars**. Determined to find out what happened to his father, he set out and crossed paths with **Lilly** and her Essence Sphere, and the wild goblin **Stabby**. The three became an unlikely family, chasing planar cracks, enchanted potatoes, and the guiding hand of the sleeping goddess **Elaria**.

|---------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Personality</b><br>Determined and resilient. Quiet and watchful, but never gives up. "I won't stop until I find the answers."            | <b>Ideal: Fate</b><br>The stars guide every destiny, and his path is part of a greater cosmic plan. "The stars have written my path, and I will follow it."        |
| <b>Bond: His Crew</b><br>Fiercely loyal to Lilly and Stabby, his new family. "Together, we will uncover the truth and face whatever comes." | <b>Flaw: Fear of Failure</b><br>He worries he can't live up to his father's legacy, which can make him hesitate or push too hard. "What if I'm not strong enough?" |

**Fun Facts:** Ursa is a boy, follows the dragon-god Bahamut, and was a Folk Hero before adventuring. • Auburn hair, purple eyes, freckles, and a fur-lined cloak for cold nights. • He speaks Common, Sylvan, and Druidic (a secret nature-language for hidden messages).

## Page 3: Spellbook

Slots per day: 4 first-level, 3 second-level, 2 third-level. Cantrips (★) are free forever. He prepares 9 spells and can swap one on a long rest. Spell save DC 16, spell attack +8.

### ★ Shillelagh

Cantrip • Bonus Action • Self • 1 min

Starlight sheathes his staff: for 1 minute it swings with **WISDOM, +9 to hit, 1d10+6** force or bludgeoning (his choice). Recast any time. His answer when something gets right in his face. (House rule: replaces Primal Savagery.)

### ★ Guidance

Cantrip • Action • Touch • Concentration, 1 min

Touch a willing friend. Once before it ends, they add **1d4** to one ability check (can roll the d4 after seeing the result). Great before a tricky skill roll.

### Guiding Bolt

1st • Action • 120 ft • 1 round (Star Map: free 5/day)

Ranged spell attack **+8 to hit**. On a hit: **4d6 radiant + 1d4** (Starseed). The **next attack** against that target before Ursa's next turn has **advantage**, set up a teammate.

### Healing Word

1st • Bonus Action • 60 ft • Instant

Heal one creature you can see **2d4+5** HP, as a **bonus action**, so he can still cast or attack the same turn. Best for popping a downed friend back up from range.

### Speak with Animals

1st • Ritual • Action • Self • 10 min

Talk with beasts for 10 min, they can describe nearby places, monsters, and what they've seen in the last day. Cast as a **ritual** (no slot) when there's no rush. Pairs with his animal charm.

### Moonbeam

2nd • Action • 120 ft • Concentration, 1 min (Staff: 2 charges)

A 5-ft pillar of light. A creature that enters it or starts its turn there makes a **Con save DC 16: 2d10 radiant + 1d4** (Starseed) on a fail, half on a success. **Move it 60 ft** each turn as part of the spell.

### Spike Growth

2nd • Action • 150 ft • Concentration, 10 min

A 20-ft circle of ground sprouts hidden thorns: **difficult terrain**, and **2d4 piercing** for every 5 ft a creature moves through. It looks like normal ground; herd foes across it or drop it under a charging monster.

### Call Lightning

3rd • Action • 120 ft • Concentration, 10 min

Make a storm cloud. Each turn, use your **action** to strike: creatures within 5 ft of the point make a **Dex save DC 16: 3d10 lightning** on a fail, half on success. +1d10 if it's already stormy. Repeatable AoE.

### ★ Starry Wisp

Cantrip • Action • 60 ft • Instant

Ranged spell attack **+8 to hit: 2d8 radiant + 1d4** (Starseed). The target glows (dim light) and can't turn invisible until the end of his next turn.

### ★ Druidcraft

Cantrip • Action • 30 ft • Instant

Tiny nature magic: predict the next 24 hr of weather, bloom a flower, make a harmless sound/smell in a 5-ft cube, or light/snuff a small flame. Pure utility & flavor.

### Faerie Fire

1st • Action • 60 ft • Concentration, 1 min

Foes in a 20-ft cube make a **Dex save DC 16**; on a fail they're outlined in light. Attacks vs them have **advantage**, and they **can't hide/be invisible**. Team-wide accuracy boost.

### Goodberry

1st • Action • Touch • lasts 24 hr

Creates **10 berries**; eating one (an action) heals **1 HP** and feeds someone for a day. Cast before a fight to bank 10 little heals the whole party can use.

### Animal Friendship

1st • Action • 30 ft • 24 hr

One beast (Int 3 or lower) makes a **Wis save DC 16**; on a fail it's **charmed** and friendly for 24 hr. With "The Bigger They Are," he can target dumb monstrosities too.

### Flaming Sphere

2nd • Action • 60 ft • Concentration, 1 min

A 5-ft fire ball. A creature ending its turn within 5 ft makes a **Dex save DC 16: 2d6 fire** on a fail, half on success. **Bonus action to roll it 30 ft** (ram a foe to force the save). Lights the area too.

### Summon Beast

2nd • Action • 90 ft • Concentration, 1 hr

Calls the **Bestial Spirit** (full stats on page 1). It acts right after Ursa on his initiative and obeys his commands for free. His go-to summon, a sturdy front-line ally that lasts a whole hour.

### Summon Fey

3rd • Action • 90 ft • Concentration, 1 hr

Calls the **Fey Spirit** (full stats on page 1). Faster and hits harder than the beast, with a mood power (Fuming/Mirthful/Tricksy) and a 30-ft teleport. Acts on Ursa's turn and obeys him for free.
