

Lilly Glimmergear

Deep Gnome • Artificer (Artillerist) • Level 5

Played by the inventor of the group. Lilly builds a magic cannon, zaps things with frost, and carries the Essence Sphere that holds Pikachu's spark.

ARMOR CLASS	HIT POINTS	SPEED	INITIATIVE	SAVE DC	SPELL ATK
20	38	25 ft	+2	16	+8
STR	DEX	CON	INT	WIS	CHA
8	14	14	20	12	8
-1	+2	+2	+5	+1	-1

Best saves: Con +5, Int +8. INT powers all her magic.

All of Lilly's Skills

Acrobatics +2	History +5	Nature +5	Sleight of Hand +2
Animal Handling +4	Insight +1	Perception +1	Stealth +2
Arcana +8	Intimidation -1	Performance -1	Survival +4
Athletics -1	Investigation +8	Persuasion -1	
Deception -1	Medicine +1	Religion +5	

Blue = trained. Best: Arcana & Investigation +8.

What Lilly Does in a Fight

Attack	To Hit	Damage
True Strike (frost dagger)	+9	1d4 + 1d4 cold + 6 + 1d6 radiant + 1d8 + 2 frost
Cannon: Flamethrower	DC 16 Dex	2d8 +2 fire in a 15-ft cone
Cannon: Force Ballista	+8	2d8 +2 force, push 5 ft (120 ft away)
Fire Bolt (cantrip)	+8	2d10 fire + 1d8 + 2 frost (120 ft)

How Lilly's turn works: She fires her cannon as a **BONUS action** AND does something else with her main action (cast a spell, stab with True Strike, or Fire Bolt). She gets to do **both every turn!**

Lilly's Eldritch Cannon

The Cannon — can be attacked and broken.

AC	HIT POINTS	SIZE	SPEED
18	25	Small/Tiny	15 ft (legs)
Three blasts	Flamethrower: burns a 15-ft cone (2d8+2 fire). Force Ballista: blasts one faraway enemy (2d8+2 force, push 5 ft). Protector: gives Lilly & friends shield-points (1d8+5).		
How to use it	Fire it with a bonus action — so Lilly still gets her main action for a spell or attack the same turn! Free to deploy (Pocket Dynamo). Ignores conditions/poison/psychic; enemies must smash it to 0 HP. Lasts a full day.		

Lilly Glimmergear

Lilly's Special Powers

Replicate Magic Item	Lilly builds magic gear for the team! Her two creations are in use now — her own +1 Half Plate and the +1 Repeating Longbow she made for Stabby.
Tinker's Magic	Knows the Mending cantrip (fix broken things). Can also conjure handy mundane gear — rope, a torch, ball bearings — that lasts until her next rest. Great for puzzles and traps.
The Right Tool	With her tools, Lilly can magically make any set of artisan tools she needs (1 hour).
Gnome Tricks	Hard to fool: advantage on Int, Wis & Cha saves vs spells. Stone Camouflage: advantage on Stealth in rocky places. Sees in the dark 120 ft. Speaks Common, Gnomish & Undercommon.

Lilly's Stuff

Essence Sphere	A steampunk orb holding Pikachu's spark. Lilly's big quest item — she wants to give Pikachu a body again.
Frostbite Shard Dagger +1	Her magic frost dagger (1d4 piercing + 1d4 cold). Spell focus AND 'arcane firearm' — adds 1d8 frost to one spell she casts through it, plus +2 frost on any spell. +1 to hit.
Pocket Dynamo (new! ★ Elaria's gift)	From the Wraithpine chest. Summon/recall her cannon for free, lasts 24 hours, +2 damage, change its type once per rest. Needs attunement.
+1 Half Plate (her creation)	Half plate she replicated with Replicate Magic Item. Base of her AC 20.
Shield	A sturdy steel shield. Adds +2 to her armor.

Lilly's Story

Lilly grew up in **Deepforge Hollow**, a svirfneblin (deep gnome) city deep in the Underdark, surrounded by the hum of machines and magic. Her mother, **Poots Glimmergear**, was a famous artificer and adventurer who inspired Lilly to tinker from the time she was tiny. Lilly trained at the **Glimmerspire Academy of Artifice** under Master Drogen Sparkwick, and her proudest creation was her very own arcane turret — the cannon she still fights with today.

On her seventh birthday, Poots handed Lilly the **Essence Sphere** — a device holding the spark of Pikachu, a lost companion from her mother's adventuring days. Lilly's quest became clear: find a way to give Pikachu a body again. That mission led her out of the Underdark to find **Ursa**, and along the way she met **Stabby**. The three became an unlikely team, chasing the mystery of the Essence Sphere — and the planar cracks tied to the sleeping goddess **Elaria**.

Personality Inventive and curious — always tinkering, always asking “why settle for what’s already made when you can build something better?”	Ideal — Creativity “There’s always a new way to make something better.” Lilly believes creativity solves any problem.
Bond — Her Friends Fiercely loyal to Ursa and Stabby. “Together, we’ll solve these mysteries and prove ourselves.”	Flaw — Impatient When a plan doesn’t work right away, she gets frustrated. “Why isn’t this working already?”

Lilly Glimmergear

Page 3 — Spellbook

Slots per day: 4 first-level, 2 second-level. Cantrips (★) are free forever. She prepares 7 spells; the four marked *Always Prepared* are free from her Artillerist subclass and don't count toward that.

The **+1d8 frost** on a spell is her dagger's arcane firearm — it adds to **one** spell she casts each turn (she only casts one anyway). The **+2 frost** rides along on any spell cast through the dagger.

★ True Strike

Cantrip • Action • Self (5 ft reach) • Instant

Stab with the Frostbite dagger using INT. Melee attack **+9 to hit**. On a hit: **1d4 + 1d4 cold + 6 + 1d6 radiant + 1d8 frost** (arcane firearm) + **2 frost** (frostbite). Her best up-close hit.

★ Mending

Cantrip • 1 minute • Touch • Instant

Repair a single break or tear in an object — a snapped chain, a torn cloak, a cracked gear. No bigger than 1 ft. Free from Tinker's Magic. Handy out of combat.

Shield (Always Prepared)

1st • Reaction (when hit / by Magic Missile) • Self • 1 round

Snap up a force wall: **+5 AC** until the start of her next turn (can turn a hit into a miss) and take **no damage from Magic Missile**. Cast after seeing the attack roll.

Catapult

1st • Action • 60 ft • Instant

Fling a loose object (up to 5 lb) at a foe. **Dex save DC 16**: on a fail, **3d8 bludgeoning + 1d8 + 2 frost** (dagger); no damage on a success. No attack roll — it's a save.

Faerie Fire

1st • Action • 60 ft • Concentration, 1 min

Foes in a 20-ft cube make a **Dex save DC 16**; on a fail they're outlined in light. Attacks vs them have **advantage** and they **can't be invisible**. Strong team setup.

Scorching Ray (Always Prepared)

2nd • Action • 120 ft • Instant

Fire **three** rays. Each is a separate ranged spell attack **+8 to hit**: **2d6 fire** each, plus **1d8 + 2 frost** (dagger, once). Aim them all at one foe or split them up.

Heat Metal

2nd • Action • 60 ft • Concentration, 1 min

Make a metal object/armor glow red-hot: **2d8 fire + 1d8 + 2 frost** (dagger) instantly, and **bonus action each turn** to deal it again. The holder takes a **Con save** or drops the item. Brutal vs armored foes.

★ Fire Bolt

Cantrip • Action • 120 ft • Instant

Hurl fire at one target. Ranged spell attack **+8 to hit**: **2d10 fire + 1d8 + 2 frost** (dagger). Her reliable ranged poke — never runs out.

Absorb Elements

1st • Reaction (when hit by the damage) • Self • 1 round

Trigger when she takes acid/cold/fire/lightning/thunder: **take half** of it, and her **next melee hit** deals +1d6 of that type. A great defensive reaction.

Thunderwave (Always Prepared)

1st • Action • Self (15-ft cube) • Instant

Foes in a 15-ft cube make a **Con save DC 16**: on a fail, **2d8 thunder + 1d8 + 2 frost** (dagger) and shoved **10 ft** away; half and no shove on a success.

Snare

1st • 1 minute to set • Touch • 8 hr trap

Lay a hidden magic rope-trap on the floor. The first creature to step in makes a **Dex save DC 16** or is **yanked upside-down, restrained** in the air. Set it before a fight as a surprise.

Tasha's Caustic Brew

1st • Action • 30 ft line • Concentration, 1 min

Spray acid in a 30-ft line (Dex save to avoid being coated). A coated creature takes **2d4 acid + 1d8 + 2 frost** (dagger) at the start of each of its turns until it uses an action to wash off.

Shatter (Always Prepared)

2nd • Action • 60 ft (10-ft sphere) • Instant

A loud burst. Creatures in a 10-ft sphere make a **Con save DC 16**: **3d8 thunder + 1d8 + 2 frost** (dagger) on a fail, half on success. Extra effective vs metal/stone foes.

Web

2nd • Action • 60 ft (20-ft cube) • Concentration, 1 hr

Fill a 20-ft cube with sticky webs (difficult terrain). Creatures there make a **Dex save DC 16** or are **restrained**; restrained creatures can retry with a **Str check**. Locks down a crowd.
