

Lilly Glimmergear

Deep Gnome • Artificer (Artillerist) • Level 5

Played by the inventor of the group. Lilly builds a magic cannon, zaps things with frost, and carries the Essence Sphere that holds Pikachu's spark.

ARMOR CLASS	HIT POINTS	SPEED	INITIATIVE	SAVE DC	SPELL ATK
20	38	25 ft	+2	16	+8
STR	DEX	CON	INT	WIS	CHA
8	14	14	20	12	8
-1	+2	+2	+5	+1	-1

Best saves: Con +5, Int +8. INT powers all her magic.

All of Lilly's Skills

Acrobatics +2	Athletics -1	Insight +1	Medicine +1	Performance -1	Sleight of Hand +2
Animal Handling +4	Deception -1	Intimidation -1	Nature +5	Persuasion -1	Stealth +2
Arcana +8	History +5	Investigation +8	Perception +1	Religion +5	Survival +4

Blue = trained. Best: Arcana & Investigation +8.

What Lilly Does in a Fight

Attack	To Hit	Damage
True Strike (frost dagger)	+9	1d4 + 1d4 cold + 6 + 1d6 radiant + 1d8 + 2 frost
Cannon: Flamethrower	DC 16 Dex	2d8+2 fire in a 15-ft cone
Cannon: Force Ballista	+8	2d8+2 force, push 5 ft (120 ft away)
Fire Bolt (cantrip)	+8	2d10 fire + 1d8 + 2 frost (120 ft)

How Lilly's turn works: She fires her cannon as a **BONUS action** AND does something else with her main action (cast a spell, stab with True Strike, or Fire Bolt). She gets to do **both every turn!**

Lilly's Eldritch Cannon

The Cannon — can be attacked and broken. Mending repairs it 2d6.

AC	HIT POINTS	SIZE	SPEED
18	25	Small/Tiny	15 ft (legs)
Pick the blast when she fires	New rule — the cannon is no longer locked to one mode! Each time she fires it, choose: Flamethrower (15-ft cone, 2d8+2 fire), Force Ballista (one faraway enemy, 2d8+2 force, push 5 ft), or Protector (shield-points to Lilly & friends within 10 ft, 1d8+5).		
How to use it	Fire it with a bonus action — so Lilly still gets her main action the same turn! Free to deploy or recall (Pocket Dynamo), +2 damage, lasts a full 24 hours. Ignores conditions/poison/psychic; enemies must smash it to 0 HP.		

Lilly Glimmergear

Lilly's Special Powers

Replicate Magic Item	Lilly builds magic gear for the team! Her two creations are in use now — her own +1 Half Plate and the +1 Repeating Longbow she made for Stabby.
Tinker's Magic	Knows the Mending cantrip (fix broken things). Can also conjure handy mundane gear — rope, a torch, ball bearings — that lasts until her next rest. Great for puzzles and traps.
The Right Tool	With her tools, Lilly can magically make any set of artisan tools she needs (1 hour).
Deep Gnome Gifts	Gnomish Magic Resistance: advantage on Int, Wis & Cha saves vs spells. Svirfneblin Camouflage: advantage on Stealth checks. Gift of the Svirfneblin: casts <i>Disguise Self</i> and <i>Nondetection</i> free, 1/long rest each. Sees in the dark 120 ft. Speaks Common, Gnomish & Undercommon.

Lilly's Stuff

Essence Sphere	A steampunk orb holding Pikachu’s spark. Lilly’s big quest item — she wants to give Pikachu a body again.
Frostbite Shard Dagger +1	Her magic frost dagger (1d4 piercing + 1d4 cold). Spell focus AND ‘arcane firearm’ — adds 1d8 frost to one spell she casts through it, plus +2 frost on any spell. +1 to hit.
Pocket Dynamo (★ Elaria’s gift)	From the Wraithpine chest. Summon/recall her cannon for free, lasts 24 hours, +2 damage. Reformat (1/long rest, action) — now mostly spare, since every cannon picks its blast when it fires. Needs attunement.
+1 Half Plate (her creation)	Half plate she replicated with Replicate Magic Item. Base of her AC 20.
Shield	A sturdy steel shield. Adds +2 to her armor.

Lilly's Story

Lilly grew up in Deepforge Hollow, a svirfneblin (deep gnome) city deep in the Underdark, surrounded by the hum of machines and magic. Her mother, Poots Glimmergear, was a famous artificer and adventurer who inspired Lilly to tinker from the time she was tiny. Lilly trained at the Glimmerspire Academy of Artifice under Master Droven Sparkwick, and her proudest creation was her very own arcane turret — the cannon she still fights with today.

On her seventh birthday, Poots handed Lilly the Essence Sphere — a device holding the spark of Pikachu, a lost companion from her mother’s adventuring days. Lilly’s quest became clear: find a way to give Pikachu a body again. That mission led her out of the Underdark to find Ursa, and along the way she met Stabby. The three became an unlikely team, chasing the mystery of the Essence Sphere — and the planar cracks tied to the sleeping goddess Elaria.

Personality

Inventive and curious <i>Always tinkering, always asking “why settle for what’s already made when you can build something better?”</i>	Ideal — Creativity <i>“There’s always a new way to make something better.” Lilly believes creativity solves any problem.</i>
Bond — Her Friends <i>Fiercely loyal to Ursa and Stabby. “Together, we’ll solve these mysteries and prove ourselves.”</i>	Flaw — Impatient <i>When a plan doesn’t work right away, she gets frustrated. “Why isn’t this working already?”</i>

Lilly Glimmergear

Page 3 — Spellbook

Slots per day: 4 first-level, 2 second-level. Cantrips (★) are free forever. She prepares 7 spells; the four marked Always Prepared are free from her Artillerist subclass and don't count toward that. The +1d8 frost on a spell is her dagger's arcane firearm — it adds to one spell she casts each turn (she only casts one anyway). The +2 frost rides along on any spell cast through the dagger.

★ True Strike

Cantrip • Action • Self (5 ft reach) • Instant

Stab with the Frostbite dagger using INT. Melee attack +9 to hit. On a hit: 1d4 + 1d4 cold + 6 + 1d6 radiant + 1d8 frost (arcane firearm) + 2 frost (frostbite). Her best up-close hit.

★ Fire Bolt

Cantrip • Action • 120 ft • Instant

Hurl fire at one target. Ranged spell attack +8 to hit: 2d10 fire + 1d8 + 2 frost (dagger). Her reliable ranged poke — never runs out.

★ Mending

Cantrip • 1 minute • Touch • Instant

Repair a single break or tear in an object — a snapped chain, a torn cloak, a cracked gear. No bigger than 1 ft. Free from Tinker's Magic. Also heals her cannon 2d6!

Absorb Elements

1st • Reaction (when hit by the damage) • Self • 1 round

Trigger when she takes acid/cold/fire/lightning/thunder: take half of it, and her next melee hit deals +1d6 of that type. A great defensive reaction.

Shield — Always Prepared

1st • Reaction (when hit / by Magic Missile) • Self • 1 round

Snap up a force wall: +5 AC until the start of her next turn (can turn a hit into a miss) and take no damage from Magic Missile. Cast after seeing the attack roll.

Thunderwave — Always Prepared

1st • Action • Self (15-ft cube) • Instant

Foes in a 15-ft cube make a Con save DC 16: on a fail, 2d8 thunder + 1d8 + 2 frost (dagger) and shoved 10 ft away; half and no shove on a success.

Catapult

1st • Action • 60 ft • Instant

Fling a loose object (up to 5 lb) at a foe. Dex save DC 16: on a fail, 3d8 bludgeoning + 1d8 + 2 frost (dagger); no damage on a success. No attack roll — it's a save.

Snare

1st • 1 minute to set • Touch • 8 hr trap

Lay a hidden magic rope-trap on the floor. The first creature to step in makes a Dex save DC 16 or is yanked upside-down, restrained in the air. Set it before a fight as a surprise.

Faerie Fire

1st • Action • 60 ft • Concentration, 1 min

Foes in a 20-ft cube make a Dex save DC 16; on a fail they're outlined in light. Attacks vs them have advantage and they can't be invisible. Strong team setup.

Tasha's Caustic Brew

1st • Action • 30 ft line • Concentration, 1 min

Spray acid in a 30-ft line (Dex save to avoid being coated). A coated creature takes 2d4 acid + 1d8 + 2 frost (dagger) at the start of each of its turns until it uses an action to wash off.

Scorching Ray — Always Prepared

2nd • Action • 120 ft • Instant

Fire three rays. Each is a separate ranged spell attack +8 to hit: 2d6 fire each, plus 1d8 + 2 frost (dagger, once). Aim them all at one foe or split them up.

Shatter — Always Prepared

2nd • Action • 60 ft (10-ft sphere) • Instant

A loud burst. Creatures in a 10-ft sphere make a Con save DC 16: 3d8 thunder + 1d8 + 2 frost (dagger) on a fail, half on success. Extra effective vs metal/stone foes.

Heat Metal

2nd • Action • 60 ft • Concentration, 1 min

Make a metal object/armor glow red-hot: 2d8 fire + 1d8 + 2 frost (dagger) instantly, and bonus action each turn to deal it again. The holder makes a Con save or drops the item. Brutal vs armored foes.

Web

2nd • Action • 60 ft (20-ft cube) • Concentration, 1 hr

Fill a 20-ft cube with sticky webs (difficult terrain). Creatures there make a Dex save DC 16 or are restrained; restrained creatures can retry with a Str check. Locks down a crowd.
